THE SIGNATURE CONVERSATION

Ask agAIn

Better Questions. Stronger Judgment. Smarter AI Decisions.

AI can accelerate the work.
Human judgment determines what happens next.

Dr. Cherry makes the science of thinking practical, helping audiences recognize hidden assumptions, examine convincing answers, and use AI with greater intention.

WHAT AUDIENCES TAKE AWAY

Notice the thinking trap

Recognize autopilot, confirmation bias, and assumptions that shape a question before AI answers.

Use the ASK practice

Examine Assumptions, inspect the Source, and check the Key piece a decision depends on.

Move from answer to action

Decide what to verify, when there is enough to act, and how to keep ownership of the decision.

CONVERSATIONS WORTH HAVING

The Standing Ovation When AI agrees, what have you actually learned?

Autopilot at Work How familiar patterns and mental shortcuts shape AI decisions.

Your Value, Plus Using AI to expand capacity while strengthening human judgment.
